El Papa Francisco sobre La Defensa de los no-nacidos

Entre esos débiles, que la Iglesia quiere cuidar con predilección, están también los niños por nacer, que son los más indefensos e inocentes de todos, a quienes hoy se les quiere negar su dignidad humana en orden a hacer con ellos lo que se quiera, quitándoles la vida y promoviendo legislaciones para que nadie pueda impedirlo. Frecuentemente, para ridiculizar alegremente la defensa que la Iglesia hace de sus vidas, se procura presentar su postura como algo ideológico, oscurantista y conservador. Sin embargo, esta defensa de la vida por nacer está íntimamente ligada a la defensa de cualquier derecho humano. Supone la convicción de que un ser humano es siempre sagrado e inviolable, en cualquier situación y en cada etapa de su desarrollo. "EVANGELII GAUDIUM," 13 de noviembre 2014

Pope Francis on Defense of the Unborn

"Nowadays efforts are made to deny them [unborn children] their human dignity and to do with them whatever one pleases, taking their lives and passing laws preventing anyone from standing in the way of this. Frequently, as a way of ridiculing the Church's effort to defend their lives, attempts are made to present her position as ideological, obscurantist and conservative. Yet this defense of unborn life is closely linked to the defense of each and every other human right. It involves the conviction that a human being is always sacred and inviolable, in any situation and at every stage of development" -- Pope Francis, Apostolic Exhortation "The Joy of the Gospel," November 24, 2013
