**Dear Parishioners:**  
 Today, Peter's experience reflects situations that, more often than not, we also eventually undergo. Who has never, ever felt, at least once, that the world was crumbling around and then decided to let it all go and surrender to despair? Under these circumstances we must revive our faith and exclaim along with the psalmist: «Show us your mercy, O Lord, and grant us your salvation» (Psl 85:7).

For the ancient mentality, the sea was where the evil forces dwelt, the kingdom of death, threatening for all men. By “walking on the water” (cf. Mt 14:25), Jesus is telling us that through his death and resurrection He defeats the evil and death powers that threat and want to destroy us. Is it not our existence like a fragile boat, delivered to the stormy waves of the sea of life with the hope of reaching some meaningful waterside?

Brothers and sisters, during this time of the pandemic our parish is making an effort to protect the health of each one of you and your families, but also it is an opportunity to come back to the church and praise the Lord for keep us in good condition. The Parish is making big progress in keeping out of debt, we can't do it without your help and contribution. We are preparing to start selling to go food at the end of each month I will ask you please consider to help in any possible way to make it happen!

**Our Lady of Peace,  
 pray for us.  
 In Christ, Fr Andres**

**Queridos feligreses:**  
 Hoy, la experiencia de Pedro refleja situaciones que hemos experimentado también nosotros más de una vez. ¿Quién no ha visto hacer aguas sus proyectos y no ha experimentado la tentación del desánimo o de la desesperación? En circunstancias así, debemos reavivar la fe y decir con el salmista: «Muéstranos, Señor, tu misericordia y danos tu salvación» (Sal 85,8).

Para la mentalidad antigua, el mar era el lugar donde habitaban las fuerzas del mal, el reino de la muerte, amenazador para el hombre. Al “andar sobre el agua” (cf. Mt 14,25), Jesús nos indica que con su muerte y resurrección triunfa sobre el poder del mal y de la muerte, que nos amenaza y busca destrozarnos. Nuestra existencia, ¿no es también como una frágil embarcación, sacudida por las olas, que atraviesa el mar de la vida y que espera llegar a una meta que tenga sentido?

Hermanos y hermanas, durante este tiempo de la pandemia, nuestra parroquia está haciendo un esfuerzo para proteger la salud de cada uno de ustedes y sus familias, pero también es una oportunidad para regresar a la iglesia y alabar al Señor por mantenernos en buen estado de salud. La parroquia está haciendo grandes progresos para evitar las deudas, no podemos hacerlo sin su ayuda y contribución. Nos estamos preparando para comenzar a vender comida para llevar, al final de cada mes. ¡Le pediré que considere ayudar de cualquier manera posible para que esto suceda!

**Nuestra Señora de la Paz,  
 ruega por nosotros.  
 En Cristo,  
 Padre Andrés**
