## Mensaje del Papa a movimiento por la vida: ¡Protejamos la vida con valor!

El Papa Francisco dijo lo siguiente al movimiento por la vida italiano: Recuerdo una vez, hace mucho tiempo, que tenía una conferencia con los médicos. Después de la conferencia saludé a los médicos —esto sucedió hace mucho tiempo—. Saludaba a los médicos, hablaba con ellos, y uno me llamó aparte. Tenía un paquete y me dijo: «Padre, quiero dejarle esto a usted. Estos son los instrumentos que he utilizado para practicar abortos. He encontrado al Señor, me he arrepentido, y ahora lucho por la vida». Me entregó todos esos instrumentos. ¡Oren por este buen hombre!

A quien es cristiano le corresponde siempre este testimonio evangélico: proteger la vida con valor y amor en todas sus fases. Los animo a hacerlo siempre con el estilo de la cercanía, de la proximidad: que cada mujer se sienta considerada como persona, escuchada, acogida, acompañada. (11 de abril de 2014)

# Pope to Pro-life Movement: Protect Life with Courage!

Pope Francis said the following to the Italian Pro-life Movement: "I remember once, a long time ago, I participated in a conference with doctors. After the conference I greeted them and while I spoke to them, one of them called me to one side. He had a package and he said to me, 'Father, I want to leave this with you. These are the instruments I have used to carry out abortions. I have encountered the Lord and repented, and now I fight for life'. He gave me all those instruments. Let us pray for this good man...Every Christian has the responsibility of this witness to the Gospel: to protect life with courage and love in all its phases. I encourage you to do this, always with an attitude of closeness and proximity, so that every woman feels considered as a person, listened to, welcomed and accompanied". (April 11, 2014)
