La Iglesia no puede abandonar La Vida Human

La sola razón es suficiente para reconocer el valor inviolable de cualquier vida humana, pero si además la miramos desde la fe, «toda violación de la dignidad personal del ser humano grita venganza delante de Dios y se configura como ofensa al Creador del hombre»[JUAN PABLO II, Christifideles Laici, 37]. Precisamente porque es una cuestión que hace a la coherencia interna de nuestro mensaje sobre el valor de la persona humana, no debe esperarse que la Iglesia cambie su postura sobre esta cuestión. Quiero ser completamente honesto al respecto. Éste no es un asunto sujeto a supuestas reformas o «modernizaciones». "EVANGELII GAUDIUM," 13 de noviembre 2014

Pope Francis: Church Cannot Abandon Human Life

"Reason alone is sufficient to recognize the inviolable value of each single human life, but if we also look at the issue from the standpoint of faith, "every violation of the personal dignity of the human being cries out in vengeance to God and is an offence against the creator of the individual" (John Paul II, Christifideles Laici, 37). Precisely because this involves the internal consistency of our message about the value of the human person, the Church cannot be expected to change her position on this question. I want to be completely honest in this regard. This is not something subject to alleged reforms or 'modernizations'" -- Pope Francis, Apostolic Exhortation "The Joy of the Gospel," November 24, 2013.
